

SŁAWOMIR GÓRNIAK

SENIOR CYBERSECURITY EXPERT

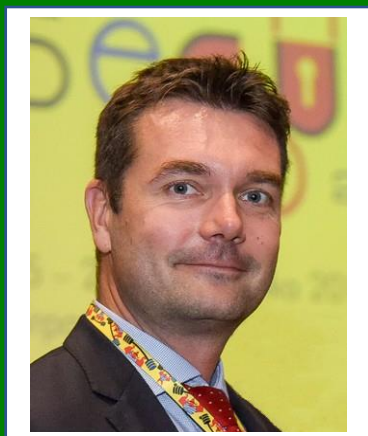

ENISA, MARKET, CERTIFICATION AND
STANDARDISATION UNIT

SPEAKER BIOGRAPHY

Sławomir Górniak, CISSP, CISM, is a telecommunications engineer focused on network security.

Since 2008 he works at ENISA (EU Agency for Cybersecurity), where he has been involved in the areas of standardisation, certification and electronic identification. He is a coordinator and co-author of multiple ENISA reports covering various aspects of information security.

Currently he is responsible for the Agency's actions in the area of standardisation and assures its liaisons with Standards Developing Organisations.

How to target continuous compliance

Conformity assessment,
legal metrology and market
surveillance tools for the
changing dynamic of digital
goods
