Proposed terms of reference for a WP.11 informal working group on the effectiveness of multi temperature thermal appliances in service.**Transmitted by Chair of the informal working group on multi temperature appliances**

1. Proposal for the terms of reference for an informal Working Group to be created under the supervision of WP.11 at its 80th session in October 2023 on the procedure for checking the effectiveness of multi temperature thermal appliances of multi compartment equipment.
 2. The informal working group shall evaluate and develop appropriate provisions for the existing provisions in paragraph 6.2.1 (iii) of Annex 1, Appendix 2 in particular concerning:
 - Feasibility to perform the test;
 - Differences for independent and non-independent equipment;
 - Take into account the appropriate rigor of the test;
 - Efficiency in the performance of the test in time and costs;
 - Limit the impact on the environment as far as possible.
 3. The informal working group shall take into account developments and work of the IIF/IIR D2 subcommission D2 "CERTE".
 4. The informal working group shall deliver, by the 81st session of WP.11 in October 2024, revisions and proposals for relevant amendments to paragraph 6.2.1. (iii).
