

# MMT in Azerbaijan

# Gap analysis report

# Gaps and ways for improvement

- Legislative Landscape: Navigating the Legal Framework and eFTI benchmark
- Functional ICT Requirements: Enabling Seamless Integration
- Certification Process: Building Trust and Reliability
- Monitoring and Review Mechanisms: Ensuring Adherence
- International Collaborations: Strengthening Cross-Border Operations
- Enhancing Digital Infrastructure: Advancing Customs and Tax Authority Collaboration

# Roadmap for implementation

- Phase 1 – Foundation/stackholder identification
- Phase 2 – Legal framework
- Phase 3 – Awareness
- Phase 4 – Technical implementation
- Phase 5 – Pilot testing
- Phase 6 – Full implementation
- Phase 7 – Continuous improvement
- Phase 8 – Achieve standardized exchange

Thank you
