UNECE Committee on Urban Development, Housing and Land Management (CUDHLM)

October 2023 session - COFFI Secretary presented urban action work

Outcome:

Committee on Urban Development, Housing and Land Management (CUDHLM) took note of the urban action work of COFFI and agreed to engage in activities of the Informal Network on Urban Nature managed by the ECE Forestry and Timber Section, given the existing synergies with COFFI in the areas of greening cities and urban forests.

Thank you
