OUR VISION IS TO MAKE LONDON A CITY WHERE PEOPLE, PLACES AND NATURE ARE BETTER CONNECTED.

Let's make a National Park City that is rich with nature and where everyone benefits from exploring, playing and learning outdoors. A city where we all enjoy high quality public and green spaces, where the air is clean to breathe and it's a pleasure to swim in its waters. Together we can make London a greener, healthier, wilder, fairer and more harmonious place to live. *Why not?*

The London National Park City is a shared vision and journey for a better life. *Everyone can benefit and contribute every day.*

It is a large-scale and long-term vision that is achievable through many actions. Lots of these things are already happening in London, but by working, learning, sharing and acting together, we can achieve even more.
