Dear [REDACTED],

Please, find attached a complete report on the activities and the current situation at the San Finx Mine. It was compiled by [REDACTED].

I believe that the report answers to all your questions about the San Finx operations.

Also, [REDACTED] has spoken with the Valoriza's management and they kindly would like to invite you to visit San Finx mine sometime after the Covid-19 is over.

Best regards

[REDACTED]
