

**Statement of the Republic of Belarus regarding the draft decision IX/4f on compliance by Belarus with its obligations under the Convention in respect of its national legislation**

The Belarusian side reiterates that it has fully fulfilled its obligations under paragraph 2 of Article 2 of the Convention, about which it regularly informed the Implementation Committee, providing it with all the necessary materials, including drafts of the relevant regulatory legal acts of the Republic of Belarus.

Thus, the Republic of Belarus considers the draft Decision on the allegedly non-fulfillment of Belarus its obligations under the Convention in relation to the failure to take the necessary legislative, administrative and other measures to implement this treaty to be unfounded.

Belarus does not agree with this Decision, but in the spirit of cooperation we will not violate the consensus.

The Belarusian side is dissociated from this Decision.

We request to reflect our position in the report of the current session.
