Subject: Re: ACCC/C/2019/173 (Sweden) - letter to the Party concerned and the communicant

Dear Fiona,

Having read your letter I agree with the Committee and I see no particular reason to ask for a hearing. I believe I have presented my arguments as well as I'm able.

If the Swedish government does not request a hearing either I would appreciate to learn the timeline for the Committee's handling of my case.

Looking very much forward to the result of the Committee's deliberations.

With best regards

Staffan
