Subject: Re: ACCC/A/2023/4 (Armenia) - Committee's draft advice for comment

Dear Ms. Marshal,

Hope my email finds you well.

We would like to express our gratitude to the Compliance Committee for its efforts to support the Republic of Armenia in bringing its national legislation in line with the Aarhus Convention.

Attaching importance to the Committee's draft suggestions, at the same time, we would like to take this opportunity and submit our comments which you can kindly find in the attached file.

We would like to inform that the main part of the Committee's recommendations have already been regulated by the by-laws adopted in December 2023. The translations of these documents will be further provided to the Committee.

With kind regards,

Mari

Mrs. Mari Chakryan
