

ETTY FELLER

CHAIR OF INTERNATIONAL LABORATORY ACCREDITATION COOPERATION (ILAC)

SPEAKER BIOGRAPHY

Etty has been ILAC Chair December 2018. At the same time she has acted as CEO/ General Manager of the Israel Laboratory Accreditation Authority (ISRAC) for 13 years where she has been responsible for ISRAC's performance and for implementing the decisions of the board of directors, formulating the ISRAC policies and determining the organizational structure, authorities, responsibilities, and assigning resources.

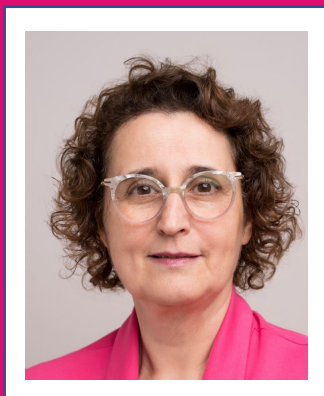

Etty has M.Sc. degree in Biochemistry and a Business Administration with a major in management. Over the years she has worked in pharmaceutical companies in roles including quality control, development of the portfolio, fling for FDA registration and clinical trial of approximately 300 patients as a Vice President on Quality Assurance.

For years she has conducted numerous activities to promote the advancement of accreditation in Israel in several laws/acts that now include the recognition of ISRAC and ILAC member's accreditation, in the fields of agriculture, natural gas, environment, and more and international agreements.

She also participates in various international meetings including ISO, OECD, IEC, ITU and INetQI.

Her mission is:

"To promote Accreditation by qualified and competent organizations in a harmonized way for the benefit of the world "
