

Note by the Secretariat

1. At its 133rd meeting, the Executive Committee is considering document ECE/EX/2024/L.6, on Decisions on matters relating to the Inland Transport Committee.
2. In addition to the draft decisions contained therein, the Inland Transport Committee also noted and approved the request of the Working Party on Rail Transport to allow for the Revisions Committee on the Model Rules on the Permanent Identification of Railway Rolling Stock to have translations of parliamentary documents into all United Nations languages, given its global role, as contained in document ECE/TRANS/2024/L.1.
3. The Secretariat is reviewing potential programme budget implications of this decision. Once this process is complete, it will submit, for consideration by the Executive Committee, a draft decision on the issue.
