SEBASTIAN HALLENSLEBEN

HEAD DIGITALIZATION AND AI

VDE ASSOCIATION FOR ELECTRICAL, ELECTRONIC AND INFORMATION TECHNOLOGIES

SPEAKER BIOGRAPHY

Sebastian Hallensleben is the Chair of CEN-CENELEC JTC 21 where European AI standards to underpin EU regulation are being developed, a member of the Expert Advisory Board of the EU StandICT programme and Chair of the Trusted Information working group.

He co-chairs AI risk and accountability in OECD ONE.AI and has roles in AI committees in the Council of Europe and UNESCO.

Sebastian Hallensleben heads Digitalisation and Artificial Intelligence at VDE Association for Electrical, Electronic and Information Technologies. He focusses in particular on AI ethics, on handling the impact of generative AI, building privacy-preserving trust infrastructures as well as characterising AI quality.
