

UNECE

Public-Private Partnerships for the Sustainable Development Goals

Tuesday, 7 May 2024

14:30 - 18:00

UNECE Masterclass*

**“Understanding and Leveraging the UNECE PPPs for the SDGs
approach through Standards, Tools and Guides for Sustainable
Infrastructures”**

Location: European Bank for Reconstruction and Development (EBRD), Istanbul Resident Office
Büyükdere Caddesi, 185 Kanyon Ofis Binası, Kat: 2 Levent, 34394 Istanbul Türkiye

*as of 15 March 2024

Background:

Held at the margins of the 8th edition of the UNECE International PPP Forum, this masterclass is specially designed for government officials to enhance their understanding of the essential tools and resources within the UNECE Public-Private Partnerships (PPPs) for the Sustainable Development Goals (SDGs) approach. Specifically designed for policymakers and decision-makers, the session will provide a comprehensive overview of these benchmark UN tools and instruments across all stages of PPP and infrastructure projects. World-renowned international PPP experts presenting in this masterclass will offer practical advice on how to effectively leverage these resources to ensure that PPPs and infrastructure projects align with the SDGs. **All participants in this masterclass will receive a UNECE certificate of participation.**

14:30 – 14:40

Welcoming remarks

- **Ms. Şule Topçu Kılıç**, EBRD
- **Mr. Tony Bonnici**, UNECE

14:40 – 15:00

Moderator of the Masterclass:

- **Mr. George Katapodis**, Chairperson, UNECE Working Party on PPPs (Greece)

The origins of the PPPs for the Sustainable Development Goals approach: a unique approach to sustainability promoted by the UNECE

Background: This presentation aims to provide participants with a comprehensive overview of the origins and development rationale behind UNECE's "PPPs for the SDGs" approach. It will also offer context for the expansive framework of instruments developed as a result, which will be presented throughout the masterclass.

Documentation:

- [Guiding Principles on Public-Private Partnerships in support of the United Nations Sustainable Development Goals](#)
- [Introduction to Public-Private Partnerships in support of the United Nations Sustainable Development Goals](#)

Presenter:

- **Mr. Claudio Meza**, UNECE

15:00 – 16:30

The fundamentals of the UNECE PPP policy documents and tools in support of the Sustainable Development Goals

Background: This session is designed to offer an expansive and comprehensive overview of some of the fundamental documents underpinning the UNECE PPPs for the SDGs approach, metaphorically described as a "pantheon". It aims to explore the relevance and practicality of pertinent UNECE documents, examining their interrelationships and their collective role in supporting informed decisions for sustainable PPPs and infrastructure projects.

Documentation:

- [Standard on Public-Private Partnerships/Concession Model law](#)
- [Public-Private Partnerships and Infrastructure Evaluation and Rating System \(PIERS\): An Evaluation Methodology for the Sustainable Development Goals](#)
- [Standard on a Zero Tolerance Approach to Corruption in PPP Procurement](#)
- [List of recommended clauses in concession contracts in Public-Private Partnerships in support of the United Nations Sustainable Development Goals](#)
- [Involving Reliable and Independent Experts](#)

Presenter:

- **Mr. Marc Frilet**, General Secretary, International Centre of Excellence for PPP Policy, Laws and Institutions

16:30 – 16:45

Coffee break

16:45 – 17:15

The UNECE PIERS methodology: a practical tool to align PPPs and infrastructure with the Sustainable Development Goals

Background: This presentation will delve deeper into the PPP and Infrastructure Evaluation and Rating System (PIERS) sustainability methodology and will focus on the practical use of PIERS and its unique characteristics.

Documentation:

- [Public-Private Partnerships and Infrastructure Evaluation and Rating System \(PIERS\): An Evaluation Methodology for the Sustainable Development Goals](#)

Presenters:

- **Mr. Jean-Patrick Marquet**, World Economic Forum
- **Mr. Claudio Meza**, UNECE

17:15 – 18:00

Supplementary UNECE PPP Standards, Tools and Guides in support of the Sustainable Development Goals

Background: This session will provide a more detailed exploration of relevant supplementary standards, tools, and guides developed by UNECE to ensure that PPPs and infrastructure projects align with and support the SDGs. It aims to enrich the overview by further delving into essential instruments that facilitate informed decision-making, ensuring that projects deliver value for people and the planet within and across various infrastructure sectors.

Documentation:
