

The activity is implemented in the framework of joint UNECE-UNEP Project
UNITED NATIONS DEVELOPMENT ACCOUNT

Workshop on EMEP gridded air emission inventories

Workshop agenda

Tbilisi, 2-4 April

Day 1 – Tuesday 2 April

Morning

- 10.00 Introduction**
Welcome and introduction
Introduction to the Workshop
Setting up the workspace
Workshop Programme
Data sources
- 11.00 Coffee break**
- 11.15 Action plan**
Priority sectors
First insights on the datasets
Selection of spatial proxies
- 13.30 Lunch Break**

Afternoon

- 14.30 Point sources**
Large Point Sources
Power plants datasets
Industry datasets
Practical exercises on Excel and QGis
Disaggregating emissions by point sources
Mapping point emissions
- 16.00 Coffee break**
- 16.15 continuation**
- 17.30 Wrap up**

Day 2 – Wednesday 3 April

Morning

- 10.00 Linear sources**
Road transport datasets
Other linear datasets
Practical exercises on Excel and QGis
Disaggregating emissions
Mapping linear emissions
- 11.30 Coffee break**
- 11.45 continuation**
- 13.30 Lunch Break**

Afternoon

- 14.30 Area sources**
Diffuse Sources
Land Cover datasets
Other area datasets
Practical exercises on Excel and QGis
Disaggregating emissions
Mapping area emissions
- 16.00 Coffee break**
- 16.15 continuation**
- 17.30 Wrap up**

Day 3 – Thursday 4 April

Morning

- 10.00 Continuation of emissions mapping from previous sessions**
- 12.00 Coffee break**
- 12.15 Results**
Preparation of total results
Quality controls
Map of total emissions
- 13.30 Lunch Break**

Afternoon

- 14.30 Reporting**
Filling Reporting Annexes V and VI
Transparency report
Improvement plans
- 16.00 Coffee break**
- 16.15 Next steps**
- 17.00 Conclusions**
