Subject: New CSO report on the Governance Regulation and the Aarhus Convention

Dear Fiona,

I hope that my email finds you well.

Please find attached a NGO joint position paper regarding the ongoing evaluation of the Governance Regulation ((EU) 2018/1999).

The undersigned organisations highlight the need to bring the Regulation into compliance with the international obligations of the Aarhus Convention. The Paper gives a set of concrete suggestions which could be incorporated in a potential revision process.

We thought that this document may be interesting to you, in light of the ongoing proceedings in Decision VII/8f concerning the European Union.

Please do not hesitate to reach out in case of any questions or comments.

Kind regards,

Romain Didi
on behalf of the undersigned organisations
