Subject: RE: ACCC/C/2017/149 (Greece) - letter to the Party concerned and the communicants

Dear Fiona,

On the part of the Ministry of Environment and Energy of Greece, we do not consider that a hearing would be needed, given that our Statement concerning the communication ACCC/C/2017/149 sets out at length our arguments.

In any case, we are at the disposal of the Compliance Committee for participating in the foreseen negotiation process.

Thank you for your kind cooperation.

Best regards,

Konstantina
