

15 April 2024

Ms. Steinunn Fjóra Sigurðardóttir  
Ministry of the Environment, Energy and Climate  
Iceland

Dear Ms. Sigurðardóttir,

**Re: Invitation to hearing to discuss substance of communication ACCC/C/2019/168 (Iceland)  
at the eighty-third meeting of the Aarhus Convention Compliance Committee**

I write to inform you that, having taken into account the views of both the Party concerned and the communicants and in the light of the information received, the Aarhus Convention Compliance Committee proposes to hold a hearing to discuss the substance of communication ACCC/C/2019/168 at its eighty-third meeting to be held at the Palais des Nations, Geneva, on 11-14 June 2024.

The hearing of the above communication is proposed for **Wednesday, 12 June 2024**, starting at 10:30 am and concluding by 4:30 pm.

In accordance with chapter IX of the [annex to decision I/7](#) of the Meeting of the Parties to the Aarhus Convention, both the Party concerned and the communicants are entitled to participate in the hearing on the subject matter of the communication, though not in the preparation or adoption of any findings, measures or recommendations of the Committee.

According to the Committee's normal practice, the hearing of the communication, which will be held in open session, will be interspersed with at least one closed session in which the Committee will begin the process of preparing draft findings. It is envisaged that the open sessions of the hearing will take the following form:

- Introduction by the Chair;
- Opening of the hearing by the curator for the case (10-15 minutes);
- Concise presentations by the communicants and by the Party concerned (10-15 minutes each);
- Questions from Committee members, replies from the Party concerned and the communicants (30 minutes);
- Comments from other observers at the invitation of the Chair (10 minutes);
- Final comments by the communicants (5-10 minutes);
- Final comments by the Party concerned (5-10 minutes).

During the second part of the hearing (i.e. following the closed session), the Committee may pose additional questions to the parties or invite reactions to any tentative conclusions it has reached.

Further details concerning the timetable for the hearing will be provided in the provisional timeline for the meeting to be published on the meeting webpage nearer the time.

I would be grateful if you could confirm by **Tuesday, 30 April 2024** that a representative of the Government of Iceland will participate in the hearing. Thereafter, each participant wishing to attend the meeting should register online at <https://indico.un.org/event/1007163/> before **Tuesday, 4 June 2024**.

Please note that, in accordance with paragraph 113 of the [Guide to the Aarhus Convention Compliance Committee](#), in sending the present invitation to participate in the hearing to discuss the substance of the communication, the Committee thereby confirms its determination that the communication is admissible. It will therefore not be necessary for either the Party concerned or the communicants to make submissions on the issue of admissibility at the hearing.

Finally, the Committee has indicated that the hearing should not be used as an occasion to introduce substantial amounts of information that could or should have been provided to it at an earlier stage, unless this is unavoidable (e.g. because it concerns very recent developments). Should you wish to present any further substantial written material related to the matter, you should take into account that where such information is received less than two weeks before the meeting, it is doubtful whether the Committee will be able to take it into consideration when it is discussing the matter, even where the information is provided in English.

Please do not hesitate to contact the secretariat if you require any further information.

Yours sincerely,

---

Fiona Marshall  
Secretary to the Aarhus Convention Compliance Committee

Cc: Permanent Mission of Iceland to the United Nations Office and other international organizations in Geneva  
Mr. Magnús Óskarsson, representing the communicants of communication ACCC/C/2019/168
