(c) The secretariat shall prepare a list of the names of all persons attending the session and make it available to them at the end of the session.

Rule 12

Every year, WP.15 shall, at the end of the last session of the year, elect a Chairperson and a Vice-Chairperson from among the representatives of full participants as defined in Rule 1. They shall take office at the start of the first session in the year following their election. The officers may be re-elected.

Rule 13

If the Chairperson is absent from a session, or part thereof, or if the Chairperson so requests, the Vice-Chairperson shall preside.

Rule 14

If the Chairperson ceases to represent a participating country or can no longer hold office, the Vice-Chairperson designated in accordance with Rule 12 shall become Chairperson for the unexpired portion of the term. In that case, WP.15 shall elect another Vice-Chairperson for the unexpired portion of the term. The same shall apply if the designated Vice-Chairperson ceases to represent a participating country or can no longer hold office.

Rule 15

The Vice-Chairperson acting as Chairperson shall have the same powers and carry out the same duties as the Chairperson.

Rule 16

The Chairperson shall participate in WP.15 in this capacity and not as the representative of his/her country. WP.15 shall admit an alternate representative to represent that participant and to exercise its right to vote. However, if there is no alternate representative or if the alternate representative is absent, the Chairperson may exercise his/her right to vote as the representative of his/her country.

Chapter VI - Secretariat

Rule 17

The Executive Secretary of ECE shall act in that capacity at all sessions of WP.15. He/she may appoint another member of the secretariat of ECE to take his/her place.

Rule 18

The secretariat shall make all necessary arrangements for the organization and holding of sessions.

Rule 19

During sessions, the secretariat shall assist WP.15 in complying with these rules of procedure.

Rule 20

The secretariat may submit written or oral statements on any item considered.

Chapter VII - Conduct of business

Rule 21

Unless otherwise decided, WP.15 shall meet in private session.

Rule 22

The Chairperson shall announce the opening and the closing of each session, direct the discussion, ensure the application of these rules of procedure, give the floor to speakers, put questions to the vote and announce the decisions taken. The Chairperson may also call a speaker to order if his/her remarks are not relevant to the subject under discussion. The Chairperson may limit the time allowed to each speaker.

Rule 23

At the end of each session, WP.15 shall adopt a report based on a draft prepared by the secretariat.

Rule 24

The Chairperson may decide, in consultation with the secretariat, to reduce the length of a session or to postpone it in the event of force majeure.

Rule 25

During the discussion of any matter a representative may raise a point of order. In this case the Chairperson shall immediately state his/her ruling. If it is challenged, the Chairperson shall put it to a vote immediately. The ruling shall stand unless opposed by the majority.

Rule 26

During the discussion of any matter a representative may move the adjournment of the debate. Any such motion shall have priority. In addition to the proposal of the motion, one representative shall be allowed to speak in favour of, and one representative against, the motion.

Rule 27

A representative may at any time move the closure of the debate whether or not any other representative has signified his/her wish to speak. Two other representatives may be authorized to speak in order to oppose the closure.

Rule 28

The Chairperson shall take the sense of WP.15 on a motion for closure. If WP.15 is in favour of the closure, the Chairperson shall declare the debate closed.

Rule 29

Principal motions and resolutions shall be put to the vote in the order of their submission unless WP.15 decides otherwise.

Rule 30

When an amendment revises, adds to or deletes from a proposal the amendment shall be put to the vote first, and if it is adopted, the amended proposal shall then be put to the vote.

Rule 31

If two or more amendments are moved to a proposal, WP.15 shall vote first on the amendment furthest removed in substance from the original proposal, then, if necessary, on the amendment next furthest removed and so on, until all the amendments have been put to the vote.

Rule 32

WP.15 may, at the request of a representative, decide to put a motion or resolution to the vote in parts. If this is done, the text resulting from the series of votes shall be put to the vote as a whole.

Rule 33

Every representative has the right to declare his or her position and may request that it be reflected, in summarized form, in the report of the session.

Chapter VIII - Voting

Rule 34

Full participants shall have one vote in WP.15.

Rule 35

Decisions of WP.15 shall chiefly be taken by consensus. In the absence of consensus, decisions shall be taken by a majority of the full participants present and voting. Decisions regarding a legal instrument in force shall be taken only in the presence of at least one third of the Contracting Parties, and on condition that the number of affirmative votes is equal to at least one third of the full participants represented during the vote.

Rule 36

WP.15 shall normally vote by show of hands. If any representative requests a roll call, a roll call shall be taken in the English alphabetical order of the names of the members.

Rule 37

All elections shall be decided by secret ballot, unless, in the absence of any objection, WP.15 decides to proceed without taking a ballot on an agreed candidate or slate.

Rule 38

If a vote is equally divided upon matters other than elections, a second vote shall be taken at the next meeting. If this vote also results in equality, the proposal shall be regarded as rejected.

Chapter IX - Languages

Rule 39

English, French and Russian are the working languages of WP.15. Statements made in one of these languages shall be interpreted into the other two languages.

Chapter X - Special sessions of WP.15 and ad hoc groups

Rule 40

Amendments to ADR and ADN requiring or calling for harmonization with provisions relating to the transport of dangerous goods by rail shall be prepared by the Joint Meeting of the RID Committee of Experts for the Carriage of Dangerous Goods of the Intergovernmental Organization for International Carriage by Rail (OTIF) and WP.15 (RID/ADR/ADN Joint Meeting) (WP.15/AC.1). It is understood that the long-standing cooperation between ECE and OTIF in the matter of organizing this joint meeting may be extended to other competent intergovernmental organizations administering international agreements on the international carriage of dangerous goods by rail that are applicable in Contracting Parties to ADR and ADN.

Rule 41

Amendments to the Regulations annexed to ADN shall be prepared by the Joint Meeting of Experts on the Regulations annexed to the European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways (ADN) (ADN Safety Committee), in partnership with the Central Commission for the Navigation of the Rhine (CCNR) and ECE at special sessions of WP.15 (WP.15/AC.2). It is understood that, pursuant to the resolution adopted on 25 May 2000 by the Diplomatic Conference for the Adoption of a European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways (ADN), cooperation in organizing this joint meeting of experts could be extended to the Danube Commission.

Rule 42

The above rules of procedure shall apply mutatis mutandis to special sessions of WP.15.⁵

Rule 43

Between sessions, WP.15 may be assisted in its tasks by ad hoc groups. To be established and hold meetings, such groups must be hosted and invited by a participant in WP.15 as defined in Rule 1.

Chapter XI - Amendments

Rule 44

Any of these rules of procedure may be amended in accordance with Rule 35. However, any proposed amendment shall require the approval of the Inland Transport Committee and the endorsement of the Executive Committee of ECE.

Annex - Rules concerning documents to be submitted to the Working Party on the Transport of Dangerous Goods

Official documents

1. Documents for consideration under each agenda item of a session shall be transmitted as early as possible so that they reach the secretariat not less than 12 weeks before the opening of the session or, if they are transmitted simultaneously in English, French and Russian, not less than 6 weeks before.
2. They shall be transmitted to the secretariat by e-mail.

⁵ For the RID/ADR/ADN Joint Meeting, see ECE/TRANS/WP.15/AC.1/112/Add.2 as amended in ECE/TRANS/WP.15/AC.1/120 and ECE/TRANS/WP.15/AC.1/122. For the ADN Safety Committee see annex V to ECE/TRANS/2023/9.

3. Documents, including reports of working groups, shall be as brief and concise as possible and not exceed 20 pages, except in exceptional instances where long passages from regulations or recommendations are the subject of proposed draft amendments.

4. All documents containing proposed amendments to regulations or recommendations shall comply with the standard presentation shown in the appendix to these rules, include a brief summary and, where necessary, a justification taking into account the following criteria:

Safety: What are the safety implications?

Feasibility: Which economic sector or public service is concerned by the proposed amendments?

What are the consequences in terms of the advantages and disadvantages?

Is a transitional period required?

Enforceability: Once implemented, can the amendments be observed or monitored?

This rule shall not apply to editing amendments, amendments proposed by a working group or amendments proposed with a view to harmonization with the United Nations Recommendations on the Transport of Dangerous Goods or any other regulations.

5. The secretariat may decide:

(a) To postpone until the next session documents which have not reached it 12 weeks before the opening of a session;

(b) Only to translate parts of documents more than 20 pages long, so as not to delay their distribution, when they contain lengthy explanatory technical annexes or tables which it is not intended to include in the regulations or recommendations;

(c) To return the document to the sender if the presentation does not conform to that of the appendix to these rules. In such cases the document may be recast in accordance with the presentation required in rule 4, provided that the revised version reaches the secretariat not less than 10 weeks before the opening of the session;

If this is not the case, the document will nevertheless be distributed in its initial form.

Informal documents

6. Informal documents may be submitted for consideration at a session provided:

(a) That they contain specific commentaries or additional information concerning a new document included in the provisional agenda and that it has not therefore been possible to submit them in time;

(b) That they are submitted solely for information purposes and require no decision from the Working Party;

(c) That they are intended to correct flagrant errors in existing texts;

(d) That they call for an initial opinion about the interpretation of existing texts; or

(e) That they contain the report of an informal working group.

7. These informal documents must be sent to the secretariat by e-mail, allowing sufficient time to post them on the ECE website⁶. As a rule, save in exceptional circumstances, the secretariat shall neither reproduce nor distribute paper copies of these informal documents.

8. The secretariat shall assign an “INF” symbol to informal documents which shall be transmitted to the author of the document who may send advance copies to other delegations. The author of an informal document shall indicate clearly the title of his communication, the official document to which it refers, where relevant, and the agenda item under which it should be considered.

⁶ <https://unece.org/info/events/unece-meetings-and-events/transport/dangerous%20goods>

9.
