

SESSION: Group work

Q1.

What do you think are **key milestones, actors and challenges for Zimbabwe in implementing the conventions?**

Q2: What topics and priorities does Zimbabwe want to work on when a Party to the Water Convention?

- How to draw on the Convention for current water-related activities and for further strengthening transboundary cooperation?
- What specific challenges and issues are needed to focus on within Zimbabwe's transboundary basins?

Q3.

How to **address needs, gaps and synergies in implementation** looking for future implementation? Twinning? Implementation Plan? Resource Mobilisation? Capacity?

Pls have someone take notes for group reporting back in plenary
