

## **Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals**

**Sub-Committee of Experts on the Transport of Dangerous Goods**

**24 June 2024**

### **Sixty-fourth session**

Geneva, 24 June-3 July 2024

Item 6 (c) of the provisional agenda

### **Miscellaneous proposals for amendments to the Model Regulations on the Transport of Dangerous Goods:**

#### **Portable tanks**

## **Discussion on document ST/SG/AC.10/C.3/2024/19**

### **Submitted by the expert from the Russian Federation**

#### **I. Introduction**

1. Keeping in mind the discussion at the sixty-third session (27 November-6 December 2023, report ST/SG/AC.10/C.3/126), some delegations favored going forward with the development of new provisions on FRP portable tanks for the carriage of substances of Class 2 and invited the Russian Federation to collect possible data on this subject from delegations and to submit a proposal to the next session.

2. Experts in the Russian Federation have concluded the mostly up-to-date experts' views, theoretical and practical data on the matter and submitted document ST/SG/AC.10/C.3/2024/19 containing a draft of the new sub-chapter 6.9.4 "Requirements for the design, construction, inspection and testing of portable tanks with shells made of fibre reinforced plastics (FRP) materials intended for the transport of non-refrigerated liquefied gases".

#### **II. Proposal**

3. In order to harmonize the discussion at plenary, the Russian Federation invites experts to discuss in advance document ST/SG/AC.10/C.3/2024/19 at lunchtime from 12.30 to 14.30 on Tuesday, 25 June 2024.
