Subject: ACCC/C/2021/186 (Portugal) - Enclosing UN Special Rapporteur on human rights and the environment's Statement at the conclusion of country visit to Portugal

Dear Secretariat,

We are pleased to inform you that Mr. David R. Boyd, United Nations Special Rapporteur on human rights and the environment, recently undertook a nine-day mission to Portugal, which took place from 19 to 27 September. Following his visit, the SR issued a Statement which is available at the Office of the High Commissioner for Human Rights and also enclosed with this email.

Because the Statement addresses the question of the Barroso Mine and cites the ongoing ACCC communication procedure, we consider it may be relevant to incorporate the SR's Statement to the file.

Yours sincerely,

Xoan Evans Pin, Director
