**Subject:** Preliminary observation on ACCC's progress review of Decision VII/8i

Dear Fiona,

I would be most grateful if you could pass the following update to the committee in respect of their review of progress in Decisions VII/8i for Ireland which was circulated on Monday of this week. It expresses my heartfelt appreciation for the work done by the Committee and the Secretariat, and an update which I hope will be of interest given the timely nature of the Committee's report for one of the matters in the MoP decision VII/8(i) and what arose.

It is rather hurried, but I am conscious of the Committee's meeting today.

Kind Regards

Attracta Uí Bhroin, Law Officer, Environmental Law Ireland
