2. Programme of Work

(a) Development of proposals for amending the AETR Agreement, including Article 22bis

At the last session, the Group of Experts was informed that neither the Russian Federation nor the European Union have changed their positions regarding ECE/TRANS/SC.1/GE.21/2021/2. The Group will be invited to continue discussing this topic to aim at reaching a compromise solution.

(b) Appendix 1C

At the last session, the European Union informed the Group that it was still reviewing ECE/TRANS/SC.1/GE.21/2023/3 (the Russian Federation comments on ECE/TRANS/SC.1/GE.21/2018/1/Rev.1 i.e. Portugal's proposal on Appendix 1C). At this session, the Group will be invited to discuss ECE/TRANS/SC.1/GE.21/2018/1/Rev.1 together with ECE/TRANS/SC.1/GE.21/2023/1 and ECE/TRANS/SC.1/GE.21/2023/3 (which contain comments of the Russian Federation) as well as with the comments of the European Union.

(c) Amendment proposal to Article 4, paragraph 2

At the last session, Belarus and the Russian Federation recalled ECE/TRANS/SC.1/GE.21/2023/4 which proposes to amend Article 4 to facilitate the application of the AETR Agreement in the "force majeure" situations. The European Union reiterated its firm opposition to the proposal as it would fundamentally weaken enforcement – and thus effectiveness - of the AETR Agreement. At this session, the Group will be invited to continue discussing this topic.

As requested, the secretariat prepared an informal document elaborating the "characteristics" of "force majeure" situations (informal document No.1). The Group will be invited to discuss the document.

3. Application of Regulation (EC) No. 561/2006 in the "AETR area"

The Group will be invited to continue exchanging information on this subject.

4. TACHOnet

At the last session, the European Union did not submit a revised version of ECE/TRANS/SC.1/GE.21/2019/1/Rev.3 (a proposal to introduce a new Appendix 4 on exchange of information). The Group will be invited to discuss the revised document (ECE/TRANS/SC.1/GE.21/2019/1/Rev.4) if, and when, submitted.

Documentation: ECE/TRANS/SC.1/GE.21/2019/1/Rev.4

5. Analysis of implementation and extension of the Memorandum of Understanding between European Commission Services and United Nations Economic Commission for Europe

The secretariat will inform the Group about the current status of this issue.

6. Establishment of multiple root certification and interoperability centres

At the last session, the Russian Federation requested that this subject be included in the current session. The Russian Federation will be invited to introduce the topic while Türkiye may wish to provide an update of its document on establishing multiple root certification and interoperability centres.

7. Extension of the mandate of the Group of Experts

The secretariat will inform the Group that its mandate is to expire on 30 June 2025 (para. 24, (ITC) Informal document No. 6/Rev.5). In order for the mandate to be extended, the Group of Experts should make a request to SC.1 (which is meeting on 29-31 October 2024), which would in turn request the mandate extension at the next ITC session (February 2025). The Group will be invited to discuss whether the mandate extension is needed.
