

RACHEL MILLER

PROJECT MANAGER, CAPACITY BUILDING

INTERNATIONAL STANDARDIZATION ORGANIZATION

SPEAKER BIOGRAPHY

Rachel Miller Prada's career has been centered around working with developing countries through ISO, the United Nations and other international development organizations.

With degrees in law and sustainable development, she is committed to the UN SDGs through developmental work.

At ISO, Rachel is a manager in Capacity Building, and is also the manager of the ISO Gender Action Plan. Through these two themes, she is committed to ensuring that ISO standards and subsequent capacity building is done through inclusive and sustainable means, to ensure that no one is left behind.
