

DORINA NATI

INDUSTRIAL DEVELOPMENT OFFICER

UNITED NATIONS INDUSTRIAL DEVELOPMENT
ORGANIZATION (UNIDO)

SPEAKER BIOGRAPHY

Dorina Nati is an industrial development expert with more than ten years of experience supporting countries in achieving their economic and industrial endeavours sustainably.

Ms. Nati is specialized in sustainable trade development with a focus on standardization, quality management and compliance (incl. conformity assessment, and accreditation).

Since 2018, she is coordinating the Global Quality and Standards Programme (GQSP), an innovative large-scale programme which aims to promote quality, enhance competitiveness and thereby stimulate trade in 13 countries spanning over five continents worldwide.

Throughout her professional career, Ms. Nati has been managing technical cooperation at the global, regional and national level, including in countries such as Albania, Georgia, Mozambique, and Ukraine.

Dorina Nati holds a Bachelor's Degree in Business, Economics and Social Sciences and a Master's Degree in Management, with specializations in non-profit and change management. She is an IRCA certified Quality Management Systems (ISO 9001) lead auditor.
