

MONICA SANZO GIL

DIRECTOR OF COOPERATION & INTERNATIONAL RELATIONS

SPANISH ASSOCIATION FOR STANDARDISATION (UNE)

SPEAKER BIOGRAPHY

Monica is Director of Cooperation and International Relations within the Spanish Association for Standardization (UNE) since December 2017. She joined AENOR's Standardization Division in 2002. She was Coordinator of the EU's EUROMED Quality Programme in Brussels in 2008 and 2009.

She coordinates international relations in UNE and participates in the CEN/CENELEC Policy and Strategy Group and in the ISO Policy Committee DEVCO. She manages the development of technical assistance activities in UNE covering projects in America, Africa, the Balkans and Eastern Europe focused on strengthening quality infrastructure institutions and the implementation of free trade agreements.

She is member of the equality and inclusivity commission of UNE.

Mónica Sanzo is a Mining Engineer (Universidad Politecnica – Madrid) and completed a year of specialisation in energy and gas (École Nationale Supérieure des Mines de Nancy – France).
