Dear Colleagues,

Please be informed that since July the 20th 2022 the name of our organization has changed. The former name Federal Autonomous Institution "Russian River Register" has been changed to a new one – **Federal Autonomous Institution "Russian Classification Society"** (hereinafter – RCS). This renaming is connected with the entry in to force of the new Charter of our organization. The contact details of RCS are given in the header of the present letter.

You are kindly asked to apply the new name of our organization in further correspondence and during the meetings under auspices of UN ECE.

Best regards,

General Director

Evgeny Trunin
