**Subject:** Decision VII/8p - explanation on the Spanish legal framework

Dear Fiona, dear Compliance Committee members,

Let me start by reiterating my gratitude for the opportunity to intervene before the committee in such a dynamic and fact-oriented fashion. It was very practical and I wish to thank you again for the opportunity to explain how the Spanish Legal Framework guarantees the rights under the Aarhus Convention.

Please find attached a short summary of the points I made during my interventions, together with the legal texts in which I based it.

Do not hesitate to contact me should anything be found to be missing or not sufficiently explained.

We will be working over the next days to deliver our final progress report regarding the National Plan, and any feedback will be most welcome.

Best regards,
